

>>> NEW COLLECTION

# OUR 2025/2026 DECOR HIGHLIGHTS

Our latest decor highlights – from premium stone finishes to authentic wood looks – offer versatile design possibilities for durable and sophisticated tabletop solutions. The new collection meets the requirements of the hospitality industry, hotel sector, contract furnishing, and the garden and outdoor living market.

## >>> CALCIT STONE

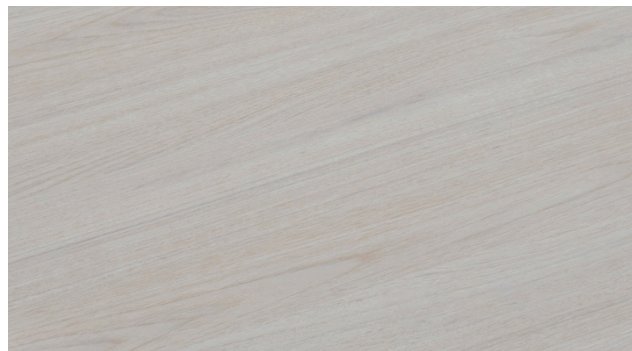

Calcit Stone combines the natural elegance of finely grained limestone with a modern, timeless design. Its subtle texture and warm sand beige tone create an authentic stone look, making it ideal for sophisticated furniture designs in both indoor and outdoor settings.

(DUROLight, Lamidur, SEVELIT, Compact-Exterior)

## NATURAL TOUCH <<<

Natural Touch stands for a light, modern wooden look with fine grain and a subtly whitewashed color tone. Suitable for both indoor and outdoor use, this decor offers a natural aesthetic and a timeless foundation for versatile tabletop designs.

---

## DARK MARBLE SILVER <<<

Dark Marble Silver combines elegant marble aesthetics with functional durability. The dark surface, accentuated with silver veining, exudes a high-end, modern look – ideal for long-lasting tabletops in professional outdoor and contract settings.

**(Compact-Exterior)**

## ➤➤➤ TRUFFLE BROWN OAK

The Truffle Brown Oak decor impresses with its authentic oak appearance in a warm brown tone – perfect for creating a natural atmosphere in outdoor settings. Thanks to its weather-resistant surface, it is ideally suited for durable tabletops in the hospitality, hotel, and contract sectors.
