Fast installation without
inserts

Sustainable Choice

Reduced chipboard usage
& recycled materials

Excellent Value

Strong price-
performance ratio

Made for Hospitality

Ideal for restaurants,
hotels & catering

WOODstyle HIGHLIGHT

Real Wood Look.
Smart Construction.

Deep brushed textures
and end-grain edges create an
authentic solid wood appearance —
with the advantages of lightweight
technology.

Lamidur

Elegant Indoor Tabletops
with an Ultra-Durable Surface

PREMIUM STYLE.
EVERYDAY DURABILITY.

Designed for indoor hospitality environments where premium appearance meets everyday durability.

Ideal For

- Restaurants
- Hotels
- Cafés

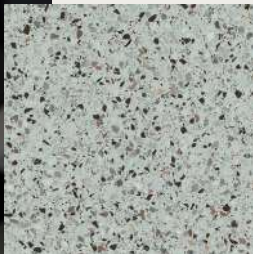

Quality

- High-quality melamine surface
- Consistent manufacturing quality

Taupe Stone

Crack Colore

Light Basalt

Sawcut Oak

Highly Durable Surface

Enhanced multilayer construction for excellent wear resistance

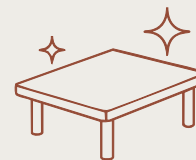

Premium Finish

Elegant, homogeneous appearance for modern indoor spaces

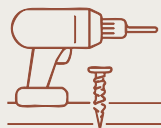

Easy to Clean

Low-maintenance melamine surface

Excellent Stability

Reliable performance, even on large tabletops

Easy Installation

Compatible with standard chipboard screws for fast base mounting

Strong ABS Edge

Impact-resistant edging for long-lasting durability

Great Value

Excellent price-performance ratio

More Sustainable

Contains approx. one-third recycled or post-consumer wood material

Marble Collection

Sophisticated Marble Designs, Built for Hospitality

The Marble Collection combines the elegant look of natural marble with the durability and easy maintenance of high-quality laminate. It creates a premium atmosphere while offering a practical, cost-effective solution.

Black Copper Marble

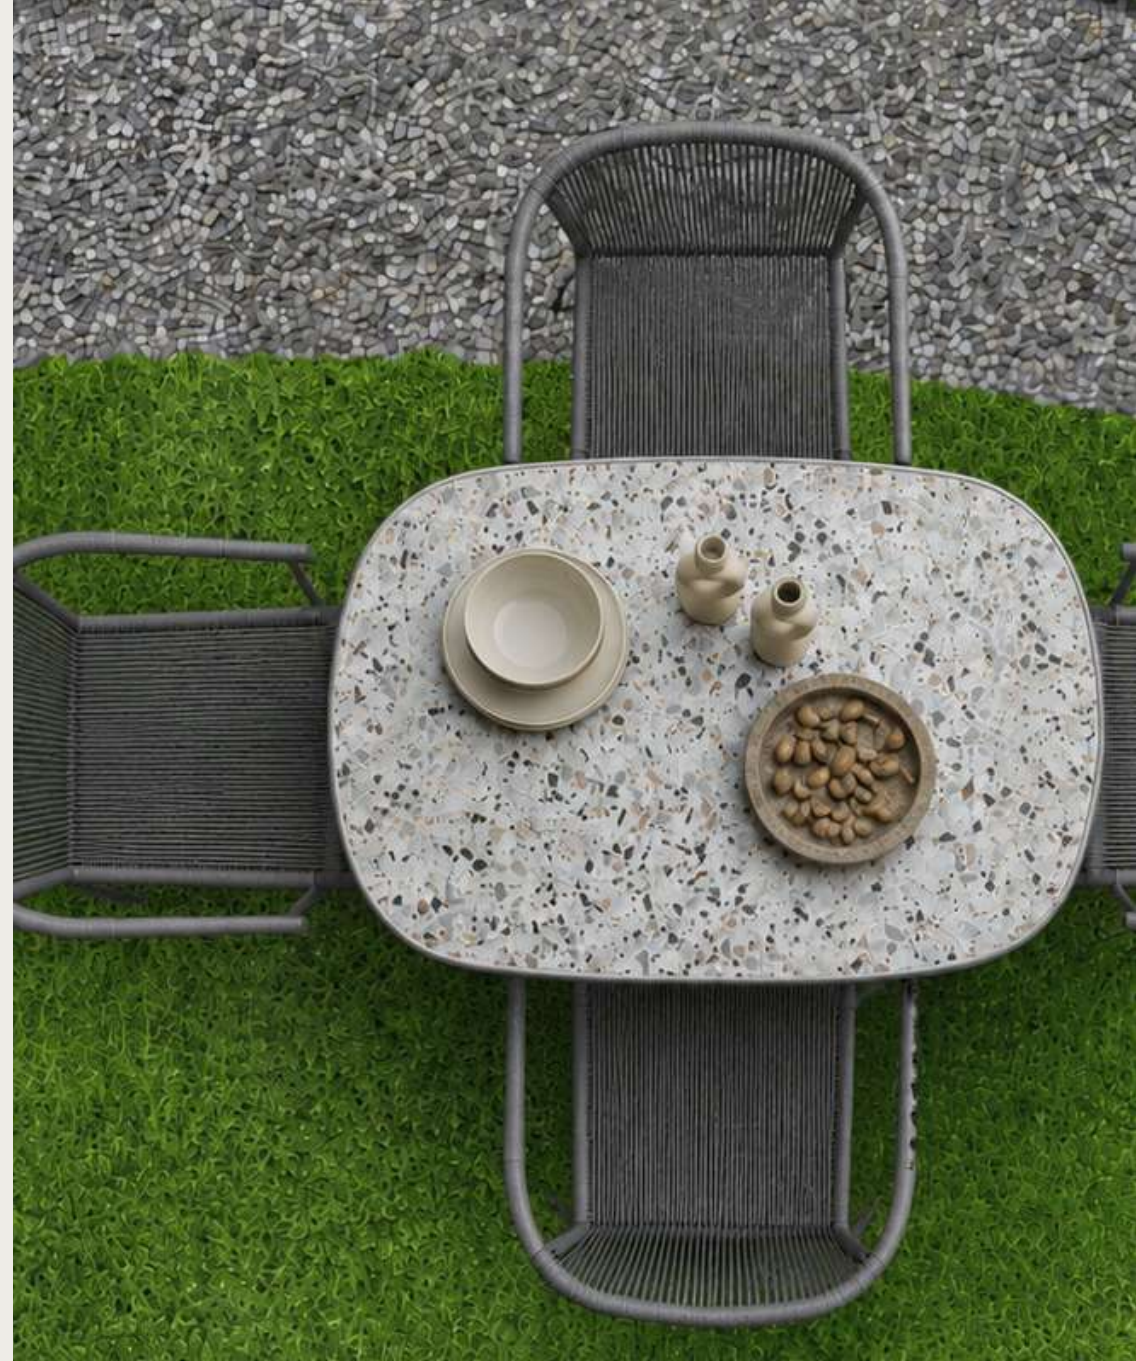

Marble Carrara

SEVELIT

Built for Outdoors.
Made to Last.

EXTREMELY RESISTANT OUTDOOR TABLETOPS

High-performance tabletops designed for outdoor hospitality environments, garden or camping furniture — combining durability, weather resistance, and modern design.

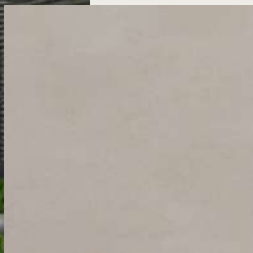

Atram Oak

Mediterranean Limestone

Calcit Stone

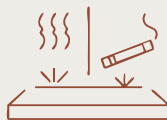

Vintage Pine

UV & Weather Resistant

Built for sun, rain & outdoor use

Heat & Cigarette Resistant

Made for demanding hospitality environments

Extreme Durability

Scratch, impact & abrasion resistant

Easy-to-Clean Surface

Hygienic and low maintenance

Moisture Protection

Special edge protection prevents water penetration

Indoor & Outdoor Use

Perfect for restaurants, cafés, terraces & camping

Engineered Performance

High-performance materials for long-term reliability

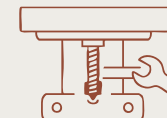

Sustainable Materials

Approx. 1/3 recycled or post-consumer wood

Excellent Value
